

2008 Sausalito Art Festival

• Artist Supplies Form •

The tented area we provide includes a 10' x 10' space with a white roof. Our outside vendor will rent pegboard to you, which you may paint. We encourage you to bring everything you need with you to afford a unique, creative space. An investment in a first-rate booth can really pay off; artists with the most professional booths often realize the largest sales. We strongly urge you to rent, borrow, or buy "pro panels" or some other kind of stylish walls.

Arrangements for additional supply rentals should be made as early as possible
